

Land Development Code Update Working Group Members September 2023

Citizen Advisory Working Group

This group of Santa Fe residents is familiar with land use issues in the community on account of their work or volunteer activities. They may not use the land development code every day, but they are familiar with the impacts it has on development in the community.

Donna Reynolds, Board of Adjustment, Santa Fe Association of Realtors

Adam Johnson, Old Santa Fe Association

Johanna Gilligan, Homewise

Daniel Werwath, New Mexico Inter-Faith Housing

Mary Ann Maestas, Earth Care New Mexico

Mori Hensley, Santa Fe Watershed Association

Bridget Dixon, Chamber of Commerce

Liz Comacho, Hispanic Chamber of Commerce

Glenn Schiffbauer, Green Chamber of Commerce

Jamie Cassutt, City Councilor

Jessica Lawrence, Planning Commission

Don Miller, Conservation Trust

Technical Advisory Working Group

This group has detailed familiarity with the current land development code, because of their frequent professional interaction using the code.
